

Education

Sardar Patel University (3rd year)	2021-present
(B.tech in computer science and engineering) CGPA:8.2	
(minor)Web development bootcamp,Norma education and Training institute	01/2022-06/2022
(Six month MERN stack Bootcamp)	92.5%
Pentagon international college, kathmandu	2019-2021
12th PCCCM	91.25%

Work Experience

Software Developer intern(www.reflexitsolution.com) 06/2022-09/2022

- Worked on a **crm/cms** project and built API using **node.js,express.js** and **mongoDB** database , added **login** and **signup** feature using **passport.js**.
- Worked on side Product as well , Major responsibility : **Client requirement gathering, Planning , framing Project-architecture , debugging** and testing using **JSbin** tool.
- **MCI**(Most-Consistent-Intern) award from **reflexitsolution** Team.

Major Project

- 1 **Tour-Destinations-API** (standalone API, used for general purpose)
 - Developed an **API** using **Node.js, Express.js, mongoDB, Html, CSS, Javascript** and **Bootstrap**.
 - Based on **MVC** Architecture and performs **CRUD** operations.
 - **API** is **Authenticated** using **JSON Web Token (jwt,cookies)** , **signup** and **login** feature implemented.
 - **Official Documentation** of this **API** is written in **POSTMAN** .
- 2 **Language Translator** (translates into 195 languages)
 - It uses a **third party API** to perform translation known as " **mymemory**" .
 - It uses an internal module of **javascript** i.e **SpeechSynthesisUtterance()** to perform **pronunciation**.
 - **Clipboard copy, Reverse translation** and **Pronunciation** features are also implemented.

Minor Project

[Transaction-app](#) [Typing-speed](#) [Ludo-Game](#) [Snake-Game](#) [Blind-Guess-Game](#)

Frontend-Technologies: Html, CSS, Bootstrap

Backend-technologies: Nodejs, Express.js, Passport.js, mongoDB, Mongoose, MYSQL

Languages: C, Java, Javascript

Software and Tools: Git, Github, VScode ,IntelliJ, Heroku, Netlify, Linux, Postman, MVC, REST

Core Subjects: OOPS, DBMS, OS, CN, Data structure and Algorithm

Achievements and Certifications

- Solved **350+ DSA** questions on **leetcode** and **geeksforgeeks**.
- **Six months MERN stack Bootcamp** from **Norma Education and Training** .
- Achieved **50-days-batch** in **leetcode** 2022 .
- **MongoDB, Java, Javascript, Node.js** and **DSA** course **certification** at **greatLearning**.
- **Tutor of Data structure and Algorithm** and **Java**.
